

LCYC Youth Sailing Representatives:

Youth Chair: Kellie Terrell

Instruction: Chris Besch

TSA Rep/Race Team Leader:
Clay Cassard

Fleet Maintenance & Equipment:
Bill McVey
Harold Simmons

Youth Fleet Boats

LCYC has a fleet of club-owned boats designated for the Youth Sailing Program, including Optis, Sunfish, and Lasers, as well as a power boat which is used on the water as a support boat during racing and instructional events. The youth boats are available to youth sailors once they've completed a "check-out" process with a Youth Sailing Representative. For additional details, please contact one of the Youth Sailing Representatives listed above.

Canyon Lake Sailing Foundation

The Canyon Lake Sailing Foundation is a non profit organization and is registered with the State of Texas as a 501(C)3 corporation. The Foundation's charter is to support youth sailing and water safety. The Foundation accepts cash donations as well as boats and sailing equipment and provides the donor with acknowledgement as documentation for IRS tax deduction purposes. All cash donations and correspondence should be sent to The Canyon Lake Sailing Foundation, P.O. Box 18554, San Antonio, Texas 78218-0554. Email inquiries may be made to Wayne Peacock via the Club Administrator at ClubAdmin@lcy.net.

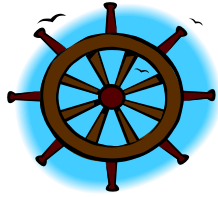

Lake Canyon Yacht Club

Youth Sailing

Instruction

The **LCYC Youth Sailing School** is a 4-day course held in May, designed to introduce novice sailors to terminology, equipment/rigging, tying knots, points of sail, boat-handling, and right-of-way rules.

The **LCYC Summer Sailing Camps** are week-long day camps held in June & July, designed for novice to intermediate sailors.

The **LCYC Youth Racing Camp** is a 4-day camp held in June, designed for intermediate to advanced sailors who are interested in learning how to race.

For details, contact Chris Besch or Kellie Terrell or visit the Youth Sailing webpage at www.lcyc.net

Club Racing

Youth Sailors who are interested in **Racing** are encouraged to attend **Youth Race Team practices** and to participate in the **Club Board Boat series** (2nd Sunday of each month) in Opti, Sunfish, or Laser 4.7/Radial fleets.

There are also several **Local Regattas** throughout the year that offer additional racing opportunities on Canyon Lake, such as Wurstfest I, Labor Day Sunfish Regatta, and the Fall Fleet Regatta.

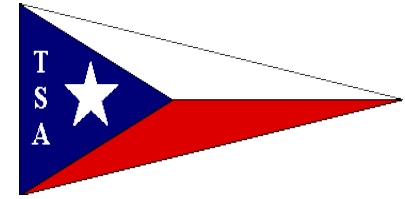

To learn more, contact Clay Cassard or visit the Club Racing or Youth Sailing webpage at www.lcyc.net.

Recreation

In addition to racing, there are a variety of **Recreational Sailing** activities for Youth Sailors to participate in. Events include **Saturday Sailing, Duct Tape Regatta, and Sailing Olympics**. The schedule of events is posted on the Youth Sailing webpage at www.lcyc.net.

TSA Youth Circuit

The **Texas Sailing Association** has a **Youth Circuit** each calendar year, with regattas scheduled approximately once a month, from February through October. Regattas are held in various locations throughout the state, including in the Kemah/Clear Lake area, Corpus Christi, Palacios, Dallas, Fort Worth, Austin, and Canyon Lake. Fleets include Opti, Laser (4.7, Radial, Full), and 420.

Regattas are usually 2-day events, held on Saturday and Sunday, so travel and overnight stays are typically part of circuit regattas.

For more information on the TSA Youth Circuit, contact Clay Cassard or visit the website at www.tx sail.org.
